Hamm and beef

JON Hamm (above) was a surprise guest when Fox Sports' World Series team ate at Del Frisco's steakhouse on Thursday. As **Frank Thomas, Alex Rodriguez, Joe Buck** and about 20 others dined, Hamm arrived to chow down. Turns out, he and Buck are pals from St. Louis — where Buck's dad, Jack, was the Cardinals' announcer. Joe later was, too. Hamm was also spotted at Dream Midtown spot the Rickey, sipping soda and hanging with his co-star from his new film "Marjorie Prime," **Geena Davis**.
